**THIS IS NO ORDINARY GIFT!**

Giving an animal is like giving someone a small business, providing wool, milk, eggs and more. Animal donations can provide families a hand up, increasing access to medicine, school, food and a sustainable livelihood.

Dan West founded Heifer International in 1944 with the "teach a man to fish" philosophy. That philosophy still inspires their work to end world hunger and poverty throughout the world once and for all.

OUR HOPE IS NOT  
IN THE NEW YEAR  
BUT IN THE ONE  
WHO MAKES  
*all things new*

Welcome to the new year.  
Welcome to the new decade.  
Welcome to the opportunity to  
do something new.

2020 is a year full of angst and hope.

So much will happen in the next year. An election will happen, which will bring either a new term or a new president, either will bring angst and hope to those that voted. It will also bring the voice of the people to several offices of public interest, and with it, the angst and hope of those people who voted.

In the United Methodist Church, 2020 will bring another General Conference. In May, the worldwide representatives of the Church will gather in Minneapolis to determine the course of the Church for the next four years. This is a time full of angst and hope. There are many who are preparing for the debate over proposed legislation and the decisions that need to be made. Angst and hope.

You may even be seeing this in your own life. You may be making decisions in the next year that have an unclear outcome. These decisions will be filled with angst and hope.

Such is the nature of the unknown future. We can't know everything that is going to happen in the next year. And really, this is exciting. It means that we can help write the future for ourselves. It means that while God is

writing the future, we get to be agents in that future. What a blessing to be active participants in the world and what God is up to.

So, now is decision time. No, you don't have to make all those decisions that bring the angst and the hope. But, we do have to decide to participate. We have to decide to be active players in the outcome of the year, rather than the passive nature of letting things happen to us. Sometimes it feels like we have no control over the things that happen in our lives. This is true. However, we do have control over how we respond. We can see each thing that happens to us as a source of angst or a source of hope.

This year, choose hope. Choose hope when the results of General Conference are in. Choose hope when the re-

sult of the elections are in. Choose hope when you receive the news you were not expecting. Choose hope, knowing that God is the God of possibilities and hope.

Happy New Year.

Chad

Are you interested in becoming a member of St. Luke? We will have a New Member Orientation on Sunday, January 26 at 4pm. In this 1 hour meeting, you will

hear St. Luke's story, learn about membership in the church, and meet others who are considering membership. Even if you are just thinking about it at this stage, come and participate in this event.

### How to find peace

Blessed are the single-hearted, for they shall enjoy much peace. If you refuse to be hurried and pressed, if you stay your soul on God, nothing can keep you from that clearness of spirit which is life and peace. In that stillness you will know what his will is.

—Amy Carmichael

### Human Relations Day January 19<sup>th</sup>

*"What does the Lord require of you but to do justice, and to love kindness, and to walk humbly with your God?" - Micah 6:8b*

Human Relations Day is an opportunity for United Methodists to share in seeking justice for our neighbors. On this day, congregations are given the unique opportunity to join with individuals, groups, businesses, community organizations and residents to heal the wounds of social inequality. The special offering supports neighborhood ministries, community advocacy and work with at-risk youth.

Human Relations Day encourages us to be the hands and feet of Jesus and to stay on the side of those whom others choose to forget.

## United Methodist Women

### No January Meeting

The United Methodist Women will only be meeting 6 times per year in 2020.

The first meeting will be February 19<sup>th</sup> at 1:15 pm at the home of Joyce Stonehocker, whom will be hostess and present the program.

“Since you are all set apart by God, made holy and dearly loved, clothe yourselves with a *holy way of life*: compassion, kindness, humility, gentleness, and patience.”  
Colossians 3:12

### Adult-2 Class

The Adult-2 Class is reading and discussing *Foolish Church* by Lee Roorda Schott. *Foolish Church* shares the lessons that Rev Schott has learned while serving at Women At The Well Church at the women’s correctional facility in Mitchellville with the hope that we might be inspired, equipped and encouraged to live out our calling.

If you are looking for a class with variety and topical studies, this would be a good class for you. There is always room for more to join the conversation.

### News from our Librarian ~ Karen Clark

**Library News** ~ Start your new year out with some inspiration from our St. Luke library. I have the perfect book for you, *The Power of Faith* by Chris and Terry Norton. You may have heard about Chris Norton, the Luther College football player who hails from Bondurant. In October 2010 Chris was playing on special teams and after the play he did not come up; he had suffered a debilitating spinal cord injury. In that moment Chris’ life and the life of his family and many around him changed. This book, written by Chris and his father Terry, the Director of DMACC’s Jasper County Career Academy right here in Newton, tells the story of how Chris defied the odds and through faith has used his quest for recovery to inspire many throughout the world. Father and son tell both sides of the story, Chris’s grueling recovery and Terry’s struggle to be the rock his son and his family need to lean on during their worst nightmare. The book is honest, horrifying and uplifting. You will read through it quickly. Check it out!

### MMDC Mission Trips

**MMDC Trip News** ~ St. Luke has a team of eleven folks heading off to Midwest Missions Distribution Center on January 19<sup>th</sup> through the 22<sup>nd</sup>. We will be preparing and assembling kits, building school desks, and whatever other jobs they ask us to do. The results of our work there will be disbursed throughout the world as needed. The network of needs assessment and transportation used by the staff is as remarkable as it is faith filled. The center has a small handful of paid staff and the bulk of the work is done by volunteers. During the few years we have been going we have seen the center grow warehouse by warehouse. All of the building and equipment is funded by gifts and no money has ever been borrowed. It is good to be involved in their mission. I am grateful for the vision of this place, grateful for the work done there, grateful for the support swelling from St. Luke and surrounding churches as our January team represents 3 other churches besides our own. We also have a trip scheduled for February 23-26 as well. We ask that you please pray for our teams of volunteers going to Midwest Missions Distribution Center in January and February as they prepare and travel on this mission for God’s Kingdom.

### Silent Auction News

Thank you for your continued support of all St. Luke property improvements! ## My Story

We were supposed to be learning to cross country ski. I put the skis on and stood up. I started forward... my skis crossed and I fell down. I struggled back to my feet and then.. repeat... I was on the ground again. The truth is, I do not do well with added length to my feet. Cross country or skis of any kind are not really for me.

On the other hand, that day, as I attempted to cross country ski, I also found myself giggling with my friend as we struggled to straighten out our skis and rise to our feet. Our laughter made what could have been a frustrating attempt at skiing, something that we enjoyed. We found the light within the struggle.

It is so important to find the good within the bad, no matter what that bad happens to entail. To embody the lightness, to search for it in ourselves and others, that is the goal.

*Matthew 5:16 "Here's another way to put it: You're here to be **light**, bringing out the God-colors in the world. God is not a secret to be kept. We're going public with this, as public as a city on a hill. If I make you **light-bearers**, you don't think I'm going to hide you under a bucket, do you? I'm putting you on a **light stand**. Now that I've put you there on a hilltop, on a **light stand—shine!** Keep open house; be generous with your lives. By opening up to others, you'll prompt people to open up with God, this generous Father in heaven.*

Let your light shine this year... Be the happiness that you seek in others. Show the colors of GOD even when you are frustrated. And, perhaps... Laugh at yourself! It really does make the day brighter.

## Choosing Hope

MATTHEW 2:1-12

Hearing and celebrating the story of the visit of the magi.

The magi, or priests, from ancient Babylon or Syria, saw a star in the sky which they believed symbolized the birth of a new ruler. After deciding to seek out this newborn, they prepared for the journey. How did they know *where* their travels would take them, or *how long* they would be traveling? - -Camels, food, bedding, hired help- - Night travel was the only means of "following the star."

As a matter of courtesy, or protocol, the magi visited King Herod in Jerusalem. The magi could tell they were fast approaching the birthplace of the new ruler, or "king." Herod inquired as to why they were passing through his land. The magi explained, "*Where is the one who has been born king of the Jews? We saw his star when it rose and have come to worship him.*"

With this, Herod conferred with his priests and teachers who referenced Micah 5:2,4.

*But you, Bethlehem Ephrathah...out of you one will come...that is to be ruler in Israel.*

Bethlehem was about six miles southwest of Jerusalem. Herod then shared this information with the visitors and directed them to go to Bethlehem. He requested the magi to seek the child and then report back directly to him, so he, too, could go worship Him.

Upon hearing this, the magi continued on their way, now knowing the destination was Bethlehem. They followed the star which shone, lighting the place of the newborn child. The magi presented Him with gifts of gold, frankincense, and myrrh. (Because there are **three** gifts mentioned in Matthew 2:11, it is believed there were **three** magi.)

Having been warned in a dream before departing Bethlehem, the magi did *not report back to Herod, but instead returned to their home country by a different route.*

The Seasons of the Spirit Bible Study Class meets Sunday mornings, sandwiched between the end of the 8 a.m. church service and the beginning of the 10:30 service. The class's emphasis is on the weekly lectionary readings. **All** are welcome to join in the discovery and learning!

## Discover Hope Supper Club:

We are taking on a new mission on the first Tuesday of every other month starting January 7, 2020. We will provide an evening meal at Discover Hope on First Avenue East in Newton. We will provide food, paper plates and cups, napkins and utensils. We will be able to cook the meal in the kitchen at Discover Hope so we won't have to transport heavy roasters. Please sign-up at the Servant's Counter to provide food and/or help with preparation and serving for our first meal.

## EMAIL SCAM

Watch out for this email scam.

Scams are quite common. This is unfortunate, but it is the world we live in. In recent months, a couple of people have received requests from "me" for assistance of some kind. In one email, the request came from me

by name for a favor. Once the person responded, a request was made for an Amazon gift card to be sent to a cancer patient.

In each case, the email came from a generic gmail account that could have come from me. In each case, it used information found in the newsletter, which is available online, or on our website.

What can you do? When you receive an email from me asking for assistance, especially of a monetary nature, be skeptical. Don't respond using the same form of communication. If the request comes through an email, call me or text me. If it comes through text, email or call me. If you get a call from me, and you aren't sure if it is me, text me to check.

I will only contact you through official channels if I need something from you. I will use my official St. Luke email, which contains my full name and a stlukenewton.com suffix. I will call you from the church landline or my mobile number, which is printed in the bulletin and the newsletter. Even then, with the ability that crafty people have to spoof phone numbers (copy them), I will not take offense if you ask me to call you back from the landline or visit you in person in order to verify that it is actually me.

We need to be wary of communications that seem suspicious. We also need to be partners in watching out for these scams. Let's help each other.

Chad

## RECYCLING CHRISTMAS LIGHTS

It is that time of year when you may be taking down your Christmas lights. If you are like many, there may be some strands which no longer function as desired.

**Do not throw them away.** Take the non-working lights to St. Luke to be **RECYCLED**. Place your non-working light strings in the *marked box* located in the narthex.

Share this information. Set an example for others that members of St. Luke care about our legacy and **Reducing-Reusing-Recycling!**

**Thank You!** to all of the volunteers at St Luke UMC. Whether you teach a VBS or Sunday School class, make a casserole for someone recovering from surgery, donate your time for a project at the church, visit a member that needs a friend or send a greeting card, you are making a difference. Thank You!

## Diaper Sewing Days Thursday & Friday, January 9th & 10th 9 am-4 pm

We will be sewing baby diapers for layette kits in the church Fellowship Hall. Bring your sewing machine, some light colored thread, and basic sewing tools or you can come help us by cutting, pinning, or pressing. We will have a light potluck for lunch.

This will be a time of fellowship and production. Feel free to come to any, some or all of the days for as much as you are able or like. Sign-up at the Servant's Counter. See you there!

Check our Facebook page or listen to the radio for announcements. If the weather and road conditions are questionable, use your best judgement and be safe.

### At home with God

Of all persons, the Christian should be best prepared for whatever the New Year brings. In Christ he has disposed of a thousand enemies that other men must face alone and unprepared. He can face his tomorrow cheerful and unafraid because yesterday he turned his feet into the ways of peace and today he lives in God. The man who has made God his dwelling place will always have a safe habitation. —A.W. Toze
