## January MMDC Trip

St. Luke had a team of 9 volunteers that worked at Midwest Mission Distribution Center January 19-22. Some assembled school kits, which

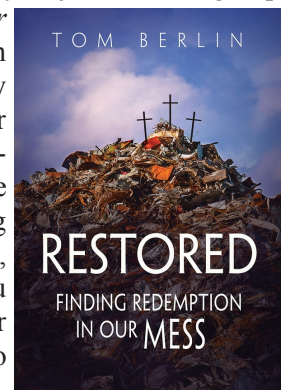

contain 3 spiral notebooks, a 12 inch ruler, 6 pencils, scissors, pencil sharpener, an eraser, 12 colored pencils and 24 crayons. Some worked on making school desks from reclaimed gym bleacher wood. One other job was to cut flannel for padding in feminine hygiene kits. All of these supplies are available for distribution

throughout the world as needed. The center partners with a number of agencies for distribution in a network that is nothing short of miraculous.

## Lenten Study

This Lenten season there will be an opportunity to join a small group study. *Restored: Finding Redemption in our Mess* encourages us to reflect and mediate through our own brokenness, showing us that it is only when we focus on the cross as a place to surrender control that we can leave our mess and find redemption. It is written by Rev. Tom Berlin. There will be 2 or 3 group meetings, including an evening opportunity beginning soon after Ash Wednesday, February 26 and continuing for six weeks. If you would be willing to host a group, please let Pastor Chad or Barb Kaldenberg know. Sign-up sheets to attend will be on the Servant's Counter.

## Ash Wednesday, February 26 Pancake Supper & Worship Service

Ash Wednesday which is February 26th will be the date for St. Luke United Methodist Church's annual pancake supper from 4:45 - 6:15 pm. The menu will include pancakes, sausages, fruit and beverages. A sign-up sheet for donations and workers will be on the Servant's Counter in February. A free will offering will be for apportionments.

Following the Pancake Supper at 6:30 pm will be an Ash Wednesday Worship Service.

Welcome to February, the longest shortest month of the year. Maybe it's the cold. Maybe it's the grey sky. Maybe it's the wind. But I didn't want to talk to you about the weather.

Thank you. Thank you for your generous nature. Over the last two and a half years, I have witnessed the amazing generosity of this congregation, giving more than 2000 diapers to MMDC, more than \$7000 to missions around the world, in addition to the \$24,000 that we sent beyond our local church to shared mission and ministry in the Iowa Annual Conference.

That last piece is what we often refer to as apportionments. They are called apportionments because they are the portion that each church in the conference pays to support shared ministry. These include many things that are important in the life of United Methodists, ministries like Bidwell Riverside Center in Des Moines, which serves the lower income population with daycare, clothing, food, and more. These include campus ministries at our United Methodist related schools like Simpson, Morningside, and Iowa Wesleyan, but also the Wesley Foundations at UNI, Iowa State, Drake, and the University of Iowa.

Apportionments pay for things that aren't fun to talk about, but are important, such as the District Superintendents, and to fund the moving expenses for pastors. They support mission congregations like Women at the Well.

A portion of our apportionments are sent beyond Iowa. These funds support missionaries around the world. They support Africa University, where the Kies serve. They support the United Methodist Committee on Relief (UMCOR), which goes wherever there are disasters to provide support and assistance. UMCOR was significant during the floods of 2008 in Cedar Rapids and the floods of 2019 in western Iowa. They are on the ground now in Puerto Rico in the wake of the earthquakes.

During Lent, we will focus our extra giving on UMCOR. The extra giving will go directly to the needs of people because our apportionments provide the overhead support the organization needs to operate. Because we give our full apportionments, UMCOR can use 100% of additional giving in areas of need.

So, you can see that apportionments are extremely important. They allow us to be so much bigger than we are on our own. We could never afford to support a missionary in Africa. Through apportionments, we support

thousands. We could never afford to make a difference for hurricane survivors. Through apportionments, we do. We couldn't provide legal support to immigrants by ourselves. Through apportionments, we do.

In 2019, we paid our apportionments in full, but it gave us some stressful moments in December. Ideally, we should save ourselves the stress by paying some each month. We are off to a good start. In January, we have already paid \$2111. That's awesome! Let's keep it up.

Our share for 2020 is \$22,929. That equates to \$1,911 each month. Let's stay ahead of this. Let's show our commitment to these ministries by making our goal by October. We can do it.

Chad

### Sunday School Mission Offering

Larry and Jane Kies are missionaries with Africa University in Zimbabwe. Larry, an Iowa native who grew up in Jesup, works as a technical Advisor to the Africa University farm in Mutare. Jane teaches Intensive English to students from non-English countries at Africa University.

The 2<sup>nd</sup> through 5<sup>th</sup> Sundays of the month from January through April, our Sunday school offering will go toward meeting our covenant with Larry and Jane Kies.

The first Sunday of each month the Sunday school offering will go toward our Sunday school administration costs, including Sunday school materials.

### News from our Librarian ~ Karen Clark

**Library News** ~ This month's book is aimed at women who are transitioning from and who are beyond middle age. I am one of these people and this book was recommended to me by another. The first paragraph of the book's introduction tells us precisely about the book: "Women Rowing North is about the specific issues women face as we transition from middle age to old age. The core concern of this life stage, with all of its perils and pleasures, is how to cultivate resilient responses to the callings we face. Resilience is built by attention and intention. We can take responsibility for our attitudes and focus on our strengths and our joys. We can go deep and face truth squarely. We can learn the skills that allow us to adapt to anything. Yes, anything." This thoughtful book uses stories to give us hope and skills for maneuvering through our remaining years with grace and wisdom. You can find it on the shelf by the door in our little library in the corner. Check it out!

### MMDC Mission Trips

**MMDC Trip News** ~ St. Luke has a team of eight folks heading off to Midwest Missions Distribution Center on February 23-26. We will be preparing and assembling kits, building school desks, and whatever other jobs they ask us to do. The results of our work there will be disbursed throughout the world as needed. The network of needs assessment and transportation used by the staff is as remarkable as it is faith filled. The center has a small handful of paid staff and the bulk of the work is done by volunteers. During the few years we have been going we have seen the center grow warehouse by warehouse. All of the building and equipment is funded by gifts and no money has ever been borrowed. It is good to be involved in their mission. I am grateful for the vision of this place, grateful for the work done there, grateful for the support swelling from St. Luke and surrounding churches. We ask that you please pray for our teams of volunteers going to Midwest Missions Distribution Center in February as they prepare and travel on this mission for God's Kingdom.

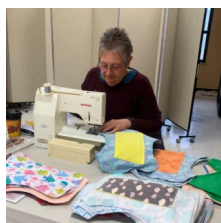

### January Diaper Sewing Days

We had a great group of ladies gathered at St. Luke to sew diapers during the month of January.

A big thank you goes out to everyone that helped with diaper sewing days. We took a total of 766 diapers to MMDC in January!

## My Story

*Pray without ceasing.*

I asked my family to help me create a display of the ways that people pray. They posed for photographs, standing, sitting, and kneeling in prayer. One picture showed a small

group standing in a circle holding hands. Others photos featured my niece with kneeling with her hands folded and her head bowed, and my nephew sitting with his hands and face upturned. Praying... alone, in pairs, in a group... all praying and knowing God is there to listen.

Prayer can come in many forms; silently conversing with God; crying out loudly, or even singing praises. There are group prayers and personal prayers. It does not matter what the form or style of prayer is, they are all important. They

can be short popcorn prayers or long involved prayers. No form of prayer is more important than another. The only thing of importance, truly is, that your prayers are a true conversation with GOD,

*Rejoice always, pray without ceasing, give thanks in all circumstances; for this is the will of God in Christ Jesus for you.*

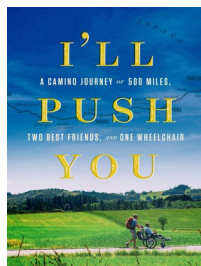

*1 Thessalonians 5:16-18*

## Adult-2 Class

The Adult Sunday School Class II has chosen their next book. It is called "I'll Push You" by Patrick Gray and Justin Skeesuck. This book is a story of friendship, love, humor, and faith as they strive to travel the rough, mountainous terrain of Camino de Santiago in Northern Spain. Justin is confined to a wheelchair, and Patrick has volunteered to push him on this pilgrimage. If the book seems familiar to you it is from our own library and was featured in a recent St Luke newsletter. Come join us as we venture on the journey of this 500-mile trek. All are welcome, and there is no "homework".

## Encounters with God

MATTHEW 17:1-9

To be open to the mystery of God's transforming presence.

Biblical generations have considered mountains to be a place of holy presence. Moses ascended **Mount Sinai** about eight times to meet with God. It is written in Matthew 17 Jesus ascended to the top of a(n **unnamed**) **mountain** with Peter, James, and John.

*There something spectacular happened. Jesus' face began to glow and gleam.* The prophets **Elijah** and **Moses** appeared, joining Jesus' company and engaging in conversation at the top of this mountain.

Why He chose these disciples or this mountain is unknown. In Exodus Moses faces a burning bush which is not consumed. In Matthew 17 Jesus' clothes began to glow and shine like "sunlight mirroring off a snowfall: He was *transfigured*, gleaming brightly.

Peter (eventually "gathered his wits" and) suggested he make three small tabernacles, or shelters - - one each for Jesus, Elijah, and Moses. As Peter spoke a bright cloud enveloped him, James, and John. From it they heard the words *This is my beloved. With Him I am well pleased. Listen to Him.*

The Seasons of the Spirit Bible Study Class meets Sunday mornings, sandwiched between the end of the 8 a.m. church service and the beginning of the 10:30 service. The class's emphasis is on the weekly lectionary readings. **All** are welcome to join in the discovery and learning!

## Discover Hope Supper Club:

We are taking on a new mission on the first Tuesday of every other month. We will provide an evening meal at Discover Hope on First Avenue East in Newton. We will provide food, paper plates and cups, napkins and utensils. We will be able to cook the meal in the kitchen at Discover Hope so we won't have to transport heavy roasters. Our next meal will be on March 3rd. Please sign-up at the Servant's Counter to provide food and/or help with preparation and serving for our next meal.

## Days For Girls

The next Days For Girls sewing day will be Thursday, February 27rd from 9 am-2 pm and 6-9 pm at the 1st Presbyterian Church. Questions? Contact Rose Evans or Karen Clark.

It's time to start planning and signing up for camp at one of the beautiful Iowa United Methodist Camps. Catalogs are available at the church or you can go online to check out what's available at [www.iaumc.org/camps](http://www.iaumc.org/camps). Get ready for your adventure of a lifetime.

## RECYCLING CFLs

Are you aware **compact fluorescent** light bulbs should **not** be placed with your regular trash destined for our landfill? Containing mercury, CFLs need to be disposed at appropriate toxic waste depots, rather than tossed out with ordinary trash destined forever for placement at our landfills. Place your non-working CFLs in the *marked box* located by the narthex coat rack at St. Luke.

Don't know what to do with your unusable CFLs *until* you have found a safe "home" for them? Some people find it convenient to temporarily collect their no-longer-usable CFLs in a marked lidded clean ice cream bucket. You can create a storage container with your own possible materials available. Then take your burned-out CFLs to church and place them in the marked box by the narthex coat rack.

Share this information to educate others. Set an example that members of St. Luke care about our environmental legacy; persist with **Reducing-Reusing-Recycling!**

## Diaper Sewing Days Wednesday & Thursday February 5th & 6th 9 am - 4 pm

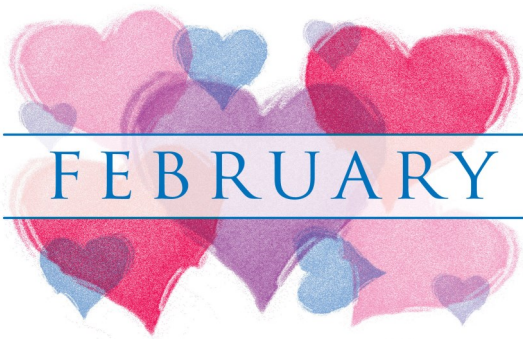

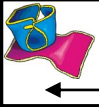

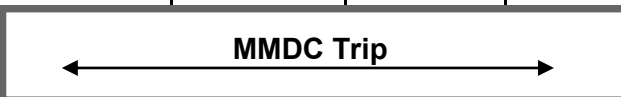

We will be sewing baby diapers for layette kits in the church Fellowship Hall. Bring your sewing machine, some light colored thread, and basic sewing tools or you can come help us by cutting, pinning, or pressing. We will have a light potluck for lunch. This will be a time of fellowship and production. Feel free to come to any, some or all of the days for as much as you are able or like. Sign-up at the Servant's Counter. See you there!

## Sunday February 9, 2020 Disability Awareness Offering

100% of this offering is retained by the Iowa Annual Conference. The purpose of the Disability Awareness offering is to celebrate the gifts and graces of persons with disabilities and to promote their full inclusion in the community. This offering provides funds for educational opportunities as well as providing grants to local churches in need of assistance in removing architectural and attitudinal barriers to accessibility.

### St. Luke News

Many thanks to all who helped to take down and put away all the Christmas decorations.

A big thank you to all who helped by providing food, cooking and serving to make our January Discover Hope meal a success. We served 60+ people and left food for their freezer and were able to serve seconds.

Thank you everyone for the care package! I really appreciated all of the notes and different gifts. Opening it and reading all of the notes was a great way to start my finals week. Thank you for the surprises and words of encouragement!  
 Nathan Jennings

### Five steps to a friendlier church

1. Speak to the other person first. Don't wait for him or her to take the initiative.
2. If there is someone you don't know, introduce yourself to him or her.
3. Be pleasant in your words and expressions. A great church cannot be built with frowns.
4. Invite newcomers to a worship service or to a church event and introduce them to other members.
5. Encourage people to participate in those church activities that interest them.

### Worship Assistants

Please find a sub or trade if you cannot do it as scheduled. Then contact the church office so we can print correct names.

## Weather Cancellation Policy

If school is cancelled/dismissed early due to weather, then St. Luke activities are cancelled that day/evening as well. Sunday Worship is rarely cancelled. Check our Facebook page or listen to the radio for announcements. If the weather and road conditions are questionable, use your best judgement and be safe.

## A prayer for Ash Wednesday

Lord of the winds,  
 I cry to thee,  
 I that am dust,  
 and blown about  
 by every gust  
 I fly to thee.

Lord of the waters,  
 unto thee I call.  
 I that am weed  
 upon the waters borne,  
 and by the waters torn,  
 tossed by the waters,  
 at thy feet I fall.

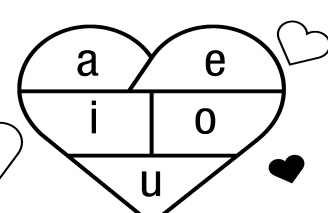

—Mary Coleridge (1861-1907)

## A friend in Jesus

In the Bible, Jesus shares what it means to be a true friend.
