COFFEE NOW September 7, 2017

On September 7th, please join us at the Coffee NOW. Listen to some fun and inspiring music from Dale Dorrell and donate to missions. Each year Dale chooses a couple of missions that are close to his heart for us to donate to. This year, we will first complete the offering to Larry and Jane Kies. We have been collecting funds for the Kies during the 2nd through 5th Sunday School offering,

that collection ends August 27th and the remainder of our covenant will be collected at the Coffee NOW on September 7th.

The 2nd recipient of the Coffee NOW offering will go toward Jasper County NAMI – which offers support groups and education, outreach and advocacy for persons and families of persons with mental illness. The mission statement of the state organization says: "Dedicated to improving the quality of life for people with mental illness and their families through support, education and advocacy." Dale noted, that his own personal interest in this group is in helping to take away the misunderstanding and stigma that so often accompanies this particular illness.

Join us on the 7th and help us give to these two missions.

Choir Practice Resumes - Singers Invited

Do you like to sing? The Praise Team and Chancel Choir will begin rehearsals on **Wednesday, September 6**. Praise Team meets at 6:30 pm and Chancel Choir at 7:15 pm. More people are always welcome!

Sunday School Kick-Off Sunday, September 10 9:15 am

Children's Sunday School returns to divided classes. The children's classes will continue their faith journey with *Deep Blue*.

Adults, if you're not already involved with a class, now would be a great to time to join either the

Seasons Of The Spirit class which follows the lectionary or Adult-2 class which does a variety of topical studies.

To celebrate the kick-off, wear your favorite team shirt on September 10th.

later.

I went to the State Fair this year and one of the things that you could do at the fair was to vote on the new designs for license plates. Seems simple enough, right? Pick one of the three.

ABC 123

But it has been anything but simple for the person in charge of this project. Christina Anderson has received

media posts about how much people some very unkind emails and social hate her designs. Personally, I find none of them great, but I also don't think that they are bad enough to rise to the level of attacking the designer.

Anytime change happens, there LOUNTY COUNTY COUNTY will be people who love the change IOWA happens when restaurants change their menus, when potygod menus, when networks change the

time of their shows, and even in the church. Change happens. It's a fact of life. Things cannot stay the same forever. And while we might embrace some changes, there will be changes that we do not like. We can name those changes we don't like because they

But change happens. Even without intending to make changes, changes happen. And this will happen in the church because we are affected by the lives that we live. When something happens in the world, and we respond to it, change happens.

leave a lasting impression on us, sometimes even decades

So, knowing that change is inevitable, how we respond to change is important. First, when something changes, whether our first reaction is positive or negative. there are going to be those that are with us and those who think differently. That means that our reaction to the change and our comments about it may build up our relationships. They may also tear them down.

So, decide before you make any public statements,

one way or the other, is this change intended to be for the good of the church? The good of the world? The good of the kingdom? Will this change cause harm to others? Or, is my reaction to this change more about my personal preference?

In the case of the license plates, the changes are not meant to harm others. They aren't meant to favor some over others. They are simply change for change's sake. And they are meant to capture the best of Iowa in very little space. The reactions that people are having are way bigger than this deserves. The harm done to the person responsible for the change is not easily reversed.

So, when changes happen in our world...at work, at

home, or at church, take a moment to see if the change is really that big. Is it worth critique? Is it really about the good of the cause? Or, is it mostly about personal preference?

I believe that God calls us into new things. That means that change is inevitable. As long as it is for the good of the Kingdom, and to make earth more like heaven, I will embrace that change. Will you as well?

STATEMENT FROM **BISHOP LAURIE HALLER ON THE VIOLENCE IN CHARLOTTESVILLE, VA**

August 12, 2017

Many of you have heard about the violence that took place in Charlottesville, Virginia, earlier today. White nationalist and other right-wing groups had scheduled a "Unite the Right" rally to protest the removal of Confederate symbols in the city, including a statue of Robert E. Lee. This afternoon a man drove his car into a crowd of counter-protesters, killing one person and injuring nineteen others. Two others have died. Self-proclaimed Neo-Nazi and hate groups were very open in their intentions to provoke violence, and Virginia's Governor declared a state of emergency.

The United Methodist Church condemns the evil, hatred, and bigotry that led to this violence, and we ask you to pray for those who have been injured and the families of those who have been killed. We also ask you to pray for the restoration of order and peace for the community of Charlottesville.

At this tragic time, may each one of us renew our commitment by our words and actions to create a world where all people live out the words in this prayer of Archbishop Desmond Tutu.

> Goodness is stronger than evil; Love is stronger than hate; Light is stronger than darkness; Life is stronger than death; Victory is ours through Him who loves us.

News from our Librarian ~ Karen Clark

This month's book is an easy yet meaningful page turner to ease into the end of summer. Boundless Love is a book of devotional reflections written to celebrate God's love for each of us. The short pieces are written

by the Women of Faith speakers and Sheila Walsh writes, "Our prayer as we sat down to write this book to you was that you would know you are loved, boundlessly, fearlessly, stubbornly, lavishly, outlandishly, intentionally by the God of the universe, the One who created you and calls you by name." Each short piece is written with sensitivity and insight on the character of God's love and how that is felt by God's people here on earth. Each little story just makes the reader want to read another, and so it goes through this little book. You can find it on the newsletter shelf in our little library in the corner. Check it out!

SHARE Food Program

Buying discounted groceries through SHARE has returned to Newton, Iowa. You can check out and order online for the program at www.SHAREIOWA.com, or call either First UMC or First

Christian Church. "SHARE boxes" can be ordered by Monday, September 11 and picked up at First UMC on Saturday, September 23, between 7:30-8:30 am, when king, Helping, Sharing Together you can order and pay for the next month.

Sew Days

We will be sewing two-handled UMCOR school bags in Fellowship Hall September 6 and 7. We can use help no matter what your skill set. Bring your sewing machine and/or your serger along with basic sewing supplies and thread. We can use people to cut fabric and press seams

along with those who sew. These bags will be filled with school supplies for Ingathering later this fall. We will start at 9 AM and

sew until about 4 PM. At noon we will break for a potluck type lunch. This is always a fun event with lots of fellowship while we work, so come join us one or both days, or even part of a day if you can. Sign up on the Servants Table, please, so we can have enough tables in place.

Christian Education Sunday Offering Sunday, September 10

The purpose of the Christian Education Sunday Offering is to celebrate and promote Christian Education and Spiritual Formation. 100% is retained by the Iowa Annual Conference and used for the following: Iowa Religious Media Services, camperships at Iowa United Methodist Camps, and continuing education for salaried United Methodist Christian Educators.

Group Welcome Sessions

Watch for sign-up sheets to schedule group welcome sessions with Pastor Chad and Wendy Jennings. These short sessions will be held in homes or at the church and will be a way for the Jennings to get to know us better.

My Story

As a kid, I used to wonder if a fly inside the car was scared or excited when it finally escaped the confines fo the vehicle. Where it emerged was very different from where it

started. Did the fly try to get back home? Or did it embrace the new location as an adventure?

There are stories in history of people moving to a new location, sometimes by choice and other times because they really had no choice. How they reacted to the new location and new circumstances shows us today how much courage and character they had.

Abraham and his family moved to a new country because of God's direction. Joseph was sold by his brothers, but he embraced his new life and eventually forgave and lifted up his own brothers. Peter, Paul

and the other apostles took a stand and preached their new reality. Immigrants traveled to a new world in search of something they could not find in their current location. Slaves followed the underground railroad north and started a new life in a new location. John Wesley didn't set out to establish a new denomination but he followed God's lead. There are a multitude of stories of persons whose reality changed by choice or by circumstance and many of them embraced their new location as an adventure.

What about me? What about you? How will we react to new expriences that God sends our way?

Corinne Kleppe - Editor

Adult-2 Class

The Adult-2 Class invites you to join them as

they study the book entitled, "Steadfast Hope-The Palestinian Quest for Just Peace." This is a good opportunity to learn more about the Israeli-Palestinian Steadfast Hope conflict, its history, and how we can live as Christian peacemakers.

If you are looking for a "short-term" Sunday School

class, this would be a good time (and topic) in which to participate. There is always room for more to join the discussion.

River Sunday

Being inspired by John's vision of God's river of life. renewing all creation: Revelation 22:1-5

Revelation 22 is **John**'s vision of the coming of God's reign. [There is not total agreement as to "which John" wrote Revelation -- John of the Island of Patmos (the Elder), or John "the evangelist."] John sees a different kind of holy city, the "new Jerusalem." Among the golden streets and buildings there is no temple reaching upward because God and the Lamb live with them in view, always. A heavenly guide has brought John to a river of pure living waters, flowing out from the throne of God and the Lamb. The river is flowing down the middle, dividing the holy city's street.

Noteworthy is the *tree of life* on each bank of the river, bearing 12 kinds of fruit; leaves from the tree providing precious healing for the nations. In Genesis 2:9, the tree of life is first mentioned, along with the tree of the knowledge of good and evil. Adam and Eve were prevented from eating from the *tree of life* once they were expelled from the Garden of Eden. Now, finally, in Revelation, all have access to its fruit and healing leaves.

John's vision describes the city as a place where "Darkness will

never again fall on this city. They will not require the light of a lamp or of the sun, because the Lord God will be their illumination." God's servants were foretold as continually serving l and worshipping Him.

The Seasons of the Spirit Bible Study Class meets Sunday mornings at 9:15 to read about and discuss issues related to each week's prescribed lectionary readings. Come, join in the learning!

Below are the lectionary scriptures that the Sunday school class participants will be learning about each week in September. Even if you can't come to class, consider taking the time to read them at

♦ Lectionary Readings for September 2017♦

•September 3: Acts 17:22-28 | Forest Sunday To celebrate God as the one in whom all creation lives and moves and has its being.

•September 10: Psalm 139:7-12 | Land Sunday To stay grounded in the assurance of God's presence through the rhythms of pain and healing heard in the voice of the land.

•September 17: Romans 8:18-27 | Wilderness/Outback Sunday To live faithfully as part of Christ's community immersed in the wildness of God's creation.

> •September 24: Revelation 22:1-5 | River Sunday To be inspired by John's vision of God's river of life, renewing all creation.

Charge Conference

Sunday, October 29 at 2 pm at First UMC in Newton. All officers are encouraged to attend. All are welcome to attend this annual meeting.

Society of St Andrews

In the Bible, Ruth tells Naomi that she is going out to glean among the sheaves. Naomi sends her to the fields owned by Boaz. (Ruth 2) To glean is to gather leftover grain or other produce after a harvest. The Society of Saint Andrew is a Gleaning Network, sending volunteers to glean the fields and orchards of the crops that do not meet

the top-grade quality desired by commercial sources.

For the past several summers, our funds received from the Produce table at St Luke have been given to the Society of St Andrew to help them glean the fields of vegetables and fruits that would otherwise be left to rot or be plowed under after harvest. So far this year, from January 1 through July 31, 9.8 million pounds have been gleaned from the fields, 5.3 million pounds have been shipped in the potato & produce project. And 45.2 million servings of fresh produce have been provided. That's all in 6 months.

Thank you to all who bring their produce to share at St Luke and to all who donate funds for the produce they take home with them. God Bless.

Sewing Machines Wanted for MMDC

Are you wondering what to do with that old sewing machine that's sitting in your basement? Sewing machines are being collected to take to MMDC this fall. Any machine, working or not, electric or treadle, portable or in a cabinet, can be used at MMDC. Even machines that are in bad shape can be used as parts donors for other machines.

MMDC has several skilled people that can bring those

old machines back into service. These machines not only provide a means to support one's family but they open doors for those receiving them.

If you have a machine to donate, bring it to the church or give us a

call if you want someone to pick it up at your house. If you have any questions, contact Joyce Stonehocker.
