St Luke Amazing Financial Update

We say *Amazing*, because St Luke giving to Special Offerings & Missions is always very generous. The Finance Team thanks you and wants to give you monthly updates. Apportionments, District Asking and Special Offerings are posted on the church office window.

By June 30, 2016, we will have submitted \$6,910 of our \$25,686 apportionments (*a portion meant for others*) in addition to both lawn mowers needing \$700 in repairs. That catches us up to the first week of April. Does that sound like your home's budget goes sometimes? Mine too.

Let us remember that Jesus said, *Do not worry about your life more than food, and the body more than clothes? Look at the birds of the air; they do not sow or reap or store away in barns, and yet your heavenly Father feeds them. Are you not much more valuable than they? Can any one of you by worrying add a single hour to your life?* Matthew 6:25-34.

John Wesley, founder of Methodism, offered us a *quadrilateral* for good decision making: 1) *Scripture*. 2) *Tradition*: We have a 54 year history of paying all our expenses and apportionments in full. 3) *Experience* teaches us to have faith and to budget wisely. 4) Then to *Reason* through all these things and prayerfully consider a next step. Hope that is helpful for your giving to God and your home budget.

Our June 5 offering was \$10,073, which included \$5,110 for apportionments; \$555 to missionaries, Kies; \$111 for Kies itineration; \$50 for VBS & \$100 for Building loan. Thank you!

June 12 was \$3,091 including \$121 for Apportionments, \$13 for Kies, \$35 for Building loan; and \$950 for renting the parsonage.

(Continued on page 3)

Team thanks you and wants to give you monthly updates. Apportionments, District Asking and Special Offerings are posted on the church office window.

 July 11-15**

9 - 11:30 am

3-yrs-old through 6th grade

**Register by July 3rd to
 receive a free t-shirt.**

Registration form on page 5.

Major themes of our VBS Olympics are from the Old Testament Book of Joshua. They include:

- Knowing God and trusting Him wholeheartedly with our lives.
- The importance of sin and repentance.
- Choosing to personally join His Team by grace through faith.
- Daily choosing to serve the Lord throughout our Christian life in all matters, even in the face of great obstacles and difficulty.
- Allegiance to the Word of God by filling our hearts and minds with Scripture, faithfully living it out before a watching world that others might know Him, whom to know is eternal life.

VBS Olympic athletes will learn that life is like a race run by two teams, God's and Satan's. Joshua will show us how to run on God's team. Joshua and Caleb teach our athletes how trusting wholeheartedly in God takes courage and is worth it. And there are consequences for disobedience.

If you have 1/2" thick soft wood boards for plaques, DMC embroidery thread and 1" or shorter finishing nails for stringing into designs, please bring.

May we borrow your hammers & needle-nose pliers for crafts; a bird bath to use as an Olympic torch cauldron; and a beach ball, Whiffle ball/bat, plastic cones, 4-6 kick balls for Olympic recreational fun. Please clearly mark *your name* on the items so they can be returned.

Also, there are great snack ideas for our athletes for which we need some ingredients. Sign up at the Servants' Counter.

A Mission Offering will be received each day & Sunday, July 17, at Worship for KID ASSIST-NEWTON, IOWA, a non-profit medical equipment loan program serving children, youth & adults with disabilities in Jasper County and SPECIAL OLYMPICS of Jasper County.

NEW IN 2016: Special Bible Guest each day.

Dear St Luke Family,

At the Iowa Annual Conference, I visited with Benjamin Simmons, the director of the orphanage for 100 children (+150 area children who attend school there) in Nigeria.

I asked if it was inside the gates of his orphanage the Iowa sea container had been placed for protection. "Yes, it was."

I told him that I'd heard a story that the children had unloaded the boxes from it in one-third the time it usually takes the adults! He laughed and agreed again.

I knew that particular container had included a box of pillowcase dresses that I had sewn. I was as happy as the two girls in the picture that he remembered his little girls trying on their new dresses and enjoying them so much.

I love sewing for my grandchildren, but they have outgrown the clothes for them and their dolls I have sewn in the past. I am so pleased to have an outlet for one of my favorite hobbies as well as to discover where these dresses are being worn.

I thought you might feel the same. This week St Luke received an *Midwest Mission Distribution Center* (MMDC) newsletter in which I read where the school bags, sewing machines and other things St Luke has taken to MMDC are being used.

In February MMDC sent two shipments totaling 28,990 pounds of medical supplies, sewing machines, personal dignity kits, school bags and much more to World Mission Outreach (WMO), in Hickory, NC.

In April WMO sent them to Nicaragua with a group for teaching Trade Skill Education. One of the days they focused on sewing to make clothes, blankets, sheets and anything else they may need for their daily life or to sell and make a profit! They gave bags and kits to children.

In May MMDC sent two large international shipments. One was through the military going to the Rotary of Panama. It included 180 school desks and 3,567 school bags. The second shipment was heading to Ghana, W Africa through the Int'l Health & Development Network who dedicate their energies to helping poor villagers in developing countries by empowering them with medical and public health knowledge and faith in God.

I hope it brightened your day to discover where and how some of our missions giving is being used.

I will always pray for you and ask for your prayers for me.

Pastor Audrey

How We – as UMCOR – Help in Disaster Relief

June 9, 2016 — As an onslaught of repeat flooding hits Houston, dozens more communities across the U.S. begin recovering from spring tornadoes, and the 2016 Atlantic hurricane season begins, it seems there is no "off-season" for disasters. And that means there's no "off season" for *preparedness* either, said Greg Forrester, executive in charge of U.S. Disaster Response for the UMCOR.

Tropical Storm Bonnie flooded the Carolinas before hurricane season even began, reports Catherine Earl, U.S. Disaster Response exec, "After every disaster, people lament, 'We should have been *prepared*. *Being prepared* is being aware and we (UMCOR) increase awareness through learning opportunities and networking, to people of the UMChurch and others who are willing and able to invest time and talent into being *better prepared*."

Our gifts to *UMCOR U.S. Disaster Response, Advance #901670*, helps one of the most important facets of disaster response: *preparedness*.

Here are those we--as UMCOR--have helped in the past with a 'Glimmer of Hope' in Arkansas; a Time of Terror-& Caring-after Katrina; Shelter in Alabama; Vital Spiritual Care in Washington state after Mudslide; Disaster Response after Tornado in Missouri & other U.S. states.

News from our Librarian ~ Karen Clark

Did you know that our little library in the corner has a section for home, family and parenting? You can find books like *Growing Compassionate Kids* by Jan Johnson. Subtitled “Helping Kids See Beyond Their Backyard” it guides parents, grandparents, or caregivers as they seek to help children grow as disciples of Christ, disciples who care about others and seek justice in the world. With specific examples, Johnson opens up a whole new world of possibilities where making a difference for others becomes a way of life. You will find a blend of thoughtful teaching and practical suggestions. This book is suggested for anyone interested in spiritual formation and has the possibility to change the coming generation. Check it out!

January & March 2017 Work Trips to MMDC

Several St Luke groups have gone to Midwest Mission Distribution Center (MMDC) in the past few years where there are opportunities for people of all skill levels, from sorting and counting, to sewing, woodworking, sewing machine repair and more. If you are willing, they will find a job for you! You will be impressed when you see the scope of the work done there and hear about the world wide network they have developed.

St Luke has two more opportunities to experience this ministry and participate in some hands on mission work. We will be staying on-site in the dorm and preparing some of our own food on **January 22-25, 2017** and **March 5-8, 2017**. We will travel Sunday afternoon, work 2-1/2 days and travel home Wednesday afternoon of both trips. Contact Karen Clark with questions, comments or to reserve a place on either or both of these trips.

Sunday Morning Special Music or Drama

Share your God-Given Talent with St Luke during Worship Times. Specials can be Musical, Drama, Dance or a Reading.
Sign-up at the Servants’ Counter.

One-Room Sunday School

The One-Room Sunday School for children 3-years of age through 3rd grade has begun. To give our school year teachers a break, volunteers are asked to sign-up on the Servants’ Counter to teach for a Sunday or two during the summer. If you have questions about the program, please talk to Tamara Lloyd. Be a part of this vital ministry at St Luke!

(Continued from page 1)

June 19 was \$1559. June 26 was \$1651.

Those two included \$120 for the building loan and \$125 for VBS.

We’ve been able to send \$6,910 for this year, designated by folk who have picked up the *apportionments-missions* cause, hoping to avoid an end-of-year push. **You may want to join in designating and/or just giving a little or a lot more to the General Fund.**

We are continuing our 2nd Sunday Offering & adding 2nd-5th Sunday School Offerings for Apportionments. Anytime you choose, you can write *Apportionments* in the memo of a check to *St Luke*.

My Story

My brother-in-law invited me to ride a tandem bicycle with him. We rode down the block and back but I couldn't seem to get the feel for it.

My sister took my seat and the two of them rode smoothly down the street.

Riding a tandem bicycle is very similar to creating a good marriage, it requires that you be in tune with the other person or rider.

You must work together, when the person up front leans right, the person in back must lean the same direction.

The other important thing to remember when riding a tandem bicycle...you can't both steer. The rear rider must trust that the person up front doesn't steer them into anything.

Riding tandem can also be compared to our faith walk. To develop a good relationship with the Lord, we need to trust the Lord to lead us. We have to let Him steer the bicycle, then your tandem ride will be smooth.

The Lord will guide you continually. Isaiah 58:11a

Apportionments are Missions

Apportionments = A Portion Meant for Others.

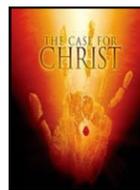

The Africa University Fund (where Kies teach) supports the only United Methodist-related, degree-granting university on the continent of Africa—serving students from 21 countries, all across Africa. University provides higher education of excellent quality, enriched with Christian values, for men & women, developing visionary leaders of tomorrow.

Together, through our connected congregations, we accomplish what no single church, district or annual conference ever could hope to do alone. See more at: www.umc.org/how-we-serve/apportioned-funds

Noisy Offering = 2nd Sunday of Each Month

Adult-2 Class = The Case for Christ

You are invited to join the Adult-2 class as *The Case for Christ* is read and discussed. Author Lee Strobel searches for evidence of Jesus by "cross-examining" the experts.

Listening, Learning, and Living:
LUKE 10:38-42
Only one thing is needed.

This story of Mary and Martha in Luke is followed by the "Good Samaritan" story. With the Good Samaritan, Jesus seemed to be emphasizing salvation through following the second commandment of loving your neighbor as yourself; the first commandment being to love the Lord your God with all your heart, with all your soul, with all your strength, and with all your mind.

Jesus continued on his journey to Jerusalem. Martha, a resident of that village, welcomed Jesus into the home she shared with her sister, Mary. As Jesus commenced speaking and teaching, Mary sat at his feet, listening. Martha did not sit at his feet listening and learning but, instead, dealt with the activities which she felt were befitting a host.

Eventually Martha (likely interrupted Jesus and) asked Him if he cared that her sister was leaving Martha "to do all the work by myself? Tell her to get over here and help me."

To the lawyer in the story of the Good Samaritan, Jesus recommended he "go and do likewise." Break out of the mold; perhaps break the strict Jewish law, and be proactive in aiding the critically injured traveler. To Martha, Jesus responds by praising Mary for just sitting at his feet and listening. (Again: Break out of the mold.)

Jesus knew his time on earth was limited. Perhaps it was not as important to him, as it was to Martha, that he have an elaborately-prepared meal, as Martha thought critical. Perhaps all he wished for was some "quiet time" with Mary and Martha. Perhaps Martha was not helping Jesus in the way he needed to be helped.

Jesus does not fault Martha for the preparations she was undertaking. It seems he merely pointed out to her the importance of "seizing the moment" and not being distracted by unnecessary social customs.

The Seasons of the Spirit Bible Study Class meets Sunday mornings at 9:15 to read about and discuss issues related to each week's prescribed lectionary readings. Come, join in the learning!
